Founded in 1980, the Washington D.C. Temple Choir is composed of singers and musicians selected by audition from approximately 50 congregations of The Church of Jesus Christ of Latter-day Saints in D.C., Maryland, and Virginia.

Our repertoire includes a wide variety of secular and sacred music including major choral works of noted composers, show tunes, Americana and patriotic compositions, and sacred hymns. The choir has performed at many religious and civic venues in the greater Washington area and also performs with choirs of other faith communities and cultural traditions. The choir is a 501(c)(3) charitable organization.

Please consider attending the Washington D.C. Temple Orchestra's Christmas concert on December 22 at 7:00 P.M. at the Washington D.C. Temple Visitors' Center for an evening of faith-filled music.
